

Univest Financial Corporation

Micro Internship: Summer 2024

Project Description: All of Univest's job descriptions have been put through a tool that codes them identifying masculine and feminine words. We want to have our job descriptions be more gender-neutral for DEI purposes. The project is now to take the job descriptions and either make the changes suggested if they make sense, or leave a change as-is because the previous word or words are a better match.

Desired Majors: Business, Human Resources

Approx. Length: May-Aug, 50 hours

Format: Remote
