

OFFICE OF ASSESSMENT WELCOME BACK!

The Office of Assessment welcomes you all back for the 2022–23 academic year. Look forward to a monthly newsletter from the office that will include important updates on assessment reporting and practices and other resources to assist programs in assessment projects.

Associate Provost for Accreditation and Assessment Karen Rauch joins Assessment Fellows Michele Baranczyk (Psychology) and Nicole McClure (English) to lead university assessment. They are supported by Graduate Assistants Jordan Pettit and Nate Rosario. Dr. Baranczyk will be lead on Gen Ed practices and the grant program, and Dr. McClure will serve as lead contact for program assessment.

This fall, the university begins a new 3-year cycle of assessment. There will also be additional workshops on assessment practices and updates on university-wide assessment work.

FALL ASSESSMENT DAY

Fall Assessment Day will be held on September 16, from 9 a.m.–12 p.m. via zoom. The agenda includes an overview of current university assessment practices, an introduction to the newest version of NuVentive and how programs can use it to track their assessment progress, and a workshop on assessment reporting best practices. We will give specific attention to the annual reports for program assessment. Register using the [link](#) below. Questions should be directed to Assessment Fellows Michele Baranczyk (barancy@kutztown.edu) and Nicole McClure (mcclure@kutztown.edu).

ANNUAL REPORTS

Programs should submit annual reports on assessment conducted in AY 21–22 by September 30 2022. Reports should be uploaded to the appropriate folder (links on the next page). Reports should include the following information:

- SLOs assessed
- Method of assessment
- N (sample size)
- Success criteria (ex: 75% of students will achieve 3 or higher)
- Summary of findings (was the success criteria met, analysis of the data)
- Plan to respond to the data (what will you do to continue improvement?)
- Notes on any changes made to the program that influenced this assessment process/result
