

### Practice Aligning PLO with Program Rubric

1. Complete first row of program rubric by changing level of performance as you write descriptors.
2. In the second row, use one of your PLOs and align descriptor at the proficient level. Next, develop other descriptors that clearly distinguish level of performance.

	<b>4 Advanced</b>	<b>3 Proficient</b>	<b>2 Emerging</b>	<b>1 Needs Improvement</b>
MA Arts Administration SLO #4  <b>Evaluate research methods and methodologies.</b>		<b>Evaluate research methods and methodologies</b> used by arts organizations to affect change such as market research, audience surveys, and program evaluations.
