# Kutztown University Internships

Work-related experience is an essential part of your career development. Employers like to hire graduates who not only have the necessary educational background in their field of study, but also have experience applying that knowledge to real life situations.

By definition, an internship is a carefully monitored work or volunteer experience with intentional learning goals. It is temporary work that helps you:

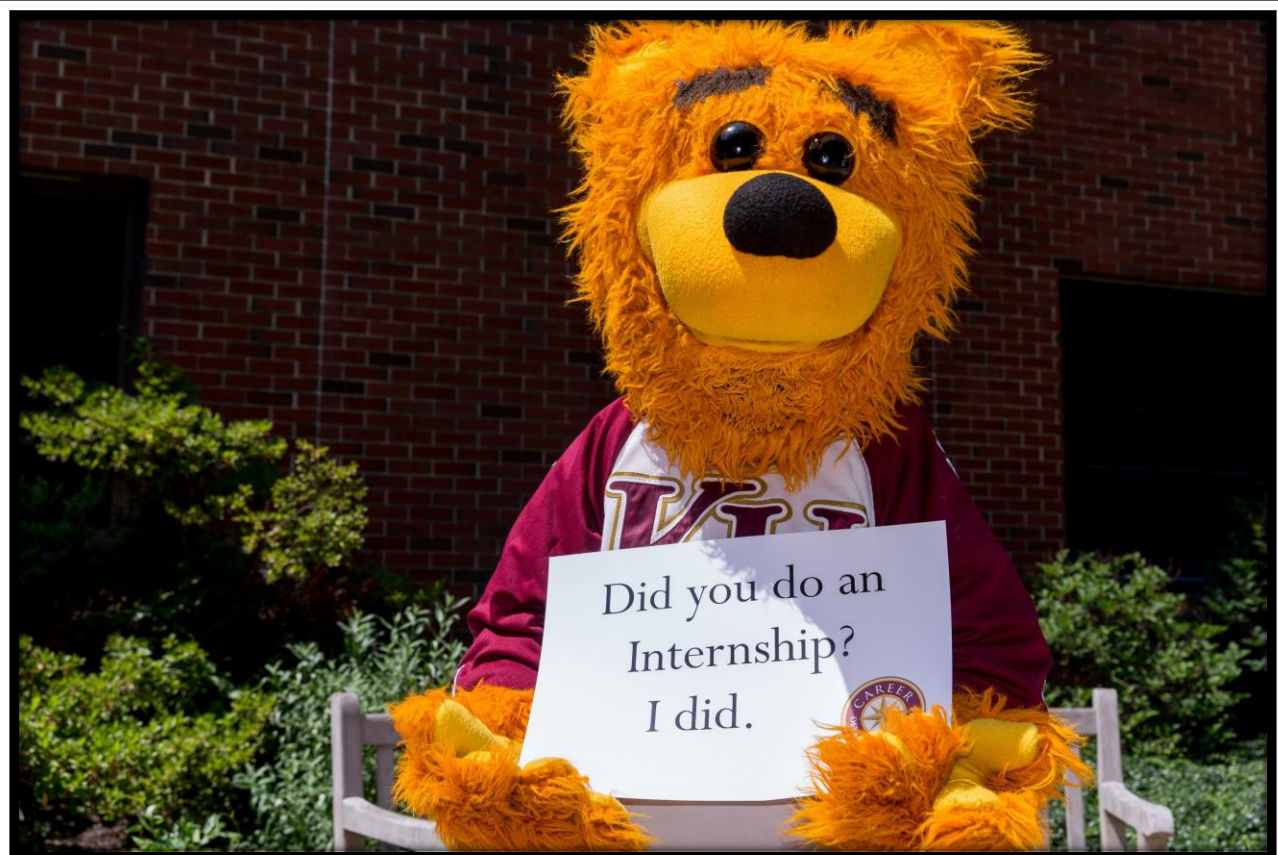

- Build self-confidence, knowledge and professionalism
- Expand your professional network
- Demonstrate your initiative and skills to prospective employers and graduate schools

At KU, internships may be taken for credit or not-for-credit. Each of these opportunities takes place in the work environment and provides valuable hands-on experience.

**Reach out to your academic department if you wish to receive credit.**

Visit: [www.kutztown.edu/internships](http://www.kutztown.edu/internships) for departmental contacts.

Schedule an appointment in Handshake to talk with a Career Development Center Career Coach: [www.kutztown.edu/handshake](http://www.kutztown.edu/handshake) (click career center then appointments) or call 610-683-4067.

# KU Micro-Internship Program

Small Projects, Big Impact

**Students**, you can gain experience, build skills, and increase your professional network. Micro-internships typically last for a duration of 2-4 weeks/10-40 hours of work while balancing academic commitments. While most micro-internships are remote, some are hybrid. Please know students may qualify for mileage reimbursement or ride-service (Uber/Lyft) to their micro-internship site.
