

MAJOR DISCOVERY SERIES

HUMAN RESOURCE MANAGEMENT

Bachelor of Science in Business Administration with a major in Human Resource Management

Human Resource Management is the strategic and coherent approach to the management of an organization's most valued assets - the people. An organization that effectively manages and develops its people realizes a distinct competitive advantage. Studies in Human Resource Management develop knowledge and skills in strategic and human resource planning, compensation, recruitment, training and development, and compliance with local, state and federal employment laws and policies.
