

Bachelor of Arts: Communication Studies Minor: Communication Studies, Performance & Storytelling

Recognizing the importance of human communication in both professional and personal lives, Communication Studies majors explore communication and develop skills in a variety of contexts. We live in a complex, rapidly changing world and skilled communicators will be most successful in their personal and professional lives. Our majors work wherever effective communication skills are valued. A degree in Communication Studies prepares students for graduate school or a professional position in a wide variety of fields. Employers recommend one or more internships to be successful and competitive when entering this field.
