Incumbent Undergraduate Student Advisement & Registration Dates Spring 2021

Advisement PeriodMonday, October 19th—Tuesday, November 17th
 Course Selection.....Monday, November 2nd—Tuesday, December, 1st

Make an appointment to see your advisor (s) during the advisement period to determine the courses that you should schedule online. Any student who is unable to make an appointment with his/her Academic Advisor should see the Advisor's Department Chair.

Advisement for Undergraduates with Multiple Programs, Secondary Ed Majors, and Major/Concentration Changes

- **MULTIPLE PROGRAM STUDENTS** are students who have either declared two majors with the same degree designation (for example: DOUBLE MAJORS - BA in History and a BA in Music) or declared two degree programs (for example: DUAL DEGREE – BA in Political Science and a BS in Criminal Justice). Students with multiple programs of study are required to have advisement sessions with the academic advisors from each major program of study. The academic advisor for the first declared major will be listed as the first advisor. The academic advisor for the additional major or degree will be listed as the second advisor. The first advisor may determine your registration type (see above). Both advisors may enter information on your Advisement Screen. The student will schedule courses during dates as listed online. **UNDERGRADUATE STUDENTS COMPLETING SIMULTANEOUS DEGREES NEED A MINIMUM OF 150 CREDITS.**
- **SECONDARY EDUCATION STUDENTS** are required to have advisement sessions with their academic advisor from the area of concentration (listed as the first advisor) and with their academic advisor from the Department of Secondary Education (listed as the second advisor). The first advisor may determine your Registration type. The student will schedule courses during dates as listed online.
- **STUDENTS WITH APPROVED CHANGES IN MAJOR OR CONCENTRATION** will consult with the newly assigned Academic Advisor for the course selection advisement as well as for various other academic concerns. The name of the new Academic Advisor is listed online.

Incumbent and New Graduate Student Advisement & Registration Dates Spring 2021

Incumbent (Current) Graduate & Post-Baccalaureate Certification RegistrationMonday, October 19th
 Advisement/Registration of New Graduate, Post-Baccalaureate Cert, and Prof Credit StudentsMonday, November 9th

While not required, graduate students are strongly urged to consult with their advisors regarding their course selections, degree requirements, candidacy, graduation requirements, or any other matter relating to their program. Post-Baccalaureate Certification students are required to have their initial registration approved by their advisor for their first semester as a certification student. It is strongly recommended that consultation be made with their advisor for subsequent registrations.

Undergraduate and Graduate Closed Courses

Course Permission Forms are available in the Registrar's Office for students seeking registration into a closed course. Students must obtain the signature/ approval of the instructor, and in the College of Business, these forms must also be signed by the chair of Business Administration. Once the appropriate signatures are received, students can bring the form(s) back to the Registrar's office to have the course(s) added to their schedules.

Undergraduate and Graduate Special Arrangement Courses-Internship, Independent Study & Individualized Instruction

1. Secure the appropriate form at the academic department for the course.
2. Follow the directions on the form.
3. Submit the completed form with signatures at your designated registration time.

Graduate Thesis

Forms with appropriate approvals must be submitted at the time the student registers for a given semester. See Calendar for deadline. The student's procedure to accomplish this is as follows:

1. Secure the appropriate form from the department in which the course will be taught.
2. Secure the approval of the course instructor and Department Chair.
3. Deliver the form to the Dean's Office of the department in which the course resides to seek his/her approval.
4. The student should report back in 3 business days to determine if the Dean or his/her designee has approved or denied the request. If the request is denied, the student, as well as the Chair and Instructor, will be informed.
5. If the request is approved, the student will collect the form and deliver it to the Dean of Graduate Studies to seek approval. The student should report back to this office in 3 business days to determine if the course request has been approved.
6. If approved, the student shall submit the form with all appropriate signatures to the Registrar's Office. If the request is denied, the Dean of Graduate Studies will so inform the student, College Dean, Department Chair, and Instructor.

- Check the schedule for courses you intend to take. Consult your advisor if they are not offered.
- Select courses that do not conflict or meet at a location other than the place desired.
- Select your desired science laboratory, the corresponding lecture section will automatically be added to your schedule.
- Select the correct sequence of courses by observing course prerequisites.
- Select courses that complete requirements within your particular curriculum.
- Obtain permission to schedule 18+ Undergraduate credits. Additional credits require permission from your Dept Chair and will result in an additional charge.
- Obtain the permission of the instructor to enroll in 400 level courses which are generally limited to junior, senior, and graduate students.
- Plan your program carefully with the full participation of your Advisor. You are responsible for your schedule.

Final Examinations	Please see https://www.kutztown.edu/academics/academic-calendar/final-exam-schedule-fall.htm for a detailed guide to Final Examinations. See policy below for conflicts.																																								
Final Examinations Conflict Policy – Undergraduate Students	<p>The student has the option to take all examinations as scheduled during final examination week. If a student has a conflict of two final examinations at the same time, or three or more in one day, the student should try to resolve the conflict directly with the instructor(s) involved. In the event the conflict(s) cannot be resolved informally, the student may seek a resolution in the following manner:</p> <ol style="list-style-type: none"> 1. Complete the "Final Examination Conflict Form" located on the Registrar's website by the end of week ten of the semester. If the student does not apply by this date, the conflict(s) may not be resolved to the student's satisfaction. 2. Present this form to the instructor with the highest numbered course to schedule an alternate time to take the final examination during final examination week. If conflicting final examinations are for the same numbered course, the course with the largest enrollment will take precedence; that is, the smaller enrolled course final examination needs to be rescheduled. 3. If the necessary rescheduling cannot be resolved through the instructor(s) involved and both courses are in the same college, the academic dean will make the rescheduling decision. 4. If the rescheduling cannot be resolved through the instructors and the courses are in different colleges, the Provost will make the rescheduling decision. 																																								
Grade Point Average/Quality Point Average (GPA/QPA)	The GPA in a student's major program is based on all courses taken which the department allows to count toward the major, regardless of whether the student uses the courses to fulfill major program requirements or as electives, concomitant courses, or General Education. (Note: Repeats of passed courses do not count toward the academic progress requirements for financial aid.)

Withdrawal from Individual Courses	Courses dropped during the drop/add period of the semester will not be recorded on the student's permanent transcript. Students may withdraw from individual courses with a grade of "W" between the second and tenth week of the semester. After the tenth week of the semester and through the last day of classes, a student who withdraws will receive a grade determined by the instructor. Failure to drop a class from which a student is registered but is not attending will result in a grade of "FN" for that course.
Withdrawal from Institution Federal Aid Recipients	See Financial Aid's website: https://www.kutztown.edu/financialaid .
Withdrawal from the University-- Undergraduates	Any student leaving the University prior to the end of any academic term must officially withdraw. The student should contact the Registrar's Office to initiate the formal withdrawal process. The date the Registrar's Office receives the withdrawal form with the student's original signature is the student's official date of withdrawal from the University. If the student completes the withdrawal process with the Registrar's Office two weeks prior to the start of finals, the student will receive "W" grades for all courses. If the student completes the withdrawal process after that point, the student will receive a grade determined by the instructor. Please note that failure to complete the withdrawal process may result in failing grades in all courses being taken at the time of withdrawal.
Withdrawal from the University-- Graduates	Graduate Students have six years from the first day of their first class to complete their studies and are not required to attend every semester. If a student wishes to withdraw from all courses; whether just for that semester or permanently, the student will need to complete and submit the withdrawal form. If the form is completed after the first week of the start of classes and before the two week period before the start of finals, the student will receive "W" grades for all courses. If submitted after the two week period before the start of finals and through the last day of classes, the student will receive a grade (s) which will be determined by the instructor (s). The date the Registrar's Office receives notification in writing with the student's original signature is the official date of withdrawal.
