See policy below for conflicts.																																
<b>Final Examinations Conflict Policy – Undergraduate Students</b>	<p>The student has the option to take all examinations as scheduled during final examination week. If a student has a conflict of two final examinations at the same time, or three or more in one day, the student should try to resolve the conflict directly with the instructor(s) involved. Complete the "Final Examination Conflict Form" located on the Registrar's website by the end of week ten of the semester. If the student does not apply by this date, the conflict(s) may not be resolved to the student's satisfaction.</li> <li>2. Present this form to the instructor with the highest numbered course to schedule an alternate time to take the final examination during final examination week. If conflicting final examinations are for the same numbered course, the course with the largest enrollment will take precedence; that is, the smaller enrolled course final examination needs to be rescheduled.</li> <li>3. If the necessary rescheduling cannot be resolved through the instructor(s) involved and both courses are in the same college, the academic dean will make the rescheduling decision.</li> <li>4. If the rescheduling cannot be resolved through the instructors and the courses are in different colleges, the Provost will make the rescheduling decision.</li> </ol>

<b>"10 Year" Policy (Undergraduates)</b>	The University welcomes the return of Undergraduate students who for various reasons did not complete their degrees. Such courses may no longer be considered to be current or be required for the degree. The Registrar in consultation with the chair of the department of the student's major determines the acceptability of these credits; however, students may request the re-evaluation of the Registrar's decision by submitting a petition to the Undergraduate Exception Committee.
<b>Transcript Requests</b>	Official transcript requests can be made online through MyKU or via PDF on the Registrar's Office webpage.
<b>Tuition, Fees, Billing, and Refund Policy</b>	Please see Office of Student Accounts' website: <a href="https://www.kutztown.edu/about-ku/administrative-offices/student-accounts.html">https://www.kutztown.edu/about-ku/administrative-offices/student-accounts.html</a> for information.
<b>Verification of Enrollment</b>	Enrollment verifications can be obtained through MyKU.
<b>Withdrawal from Individual Courses</b>	Courses dropped during the first week of the semester will not be recorded on the student's permanent transcript. Students may withdraw from individual courses with a grade of "W" between the second and tenth week of the semester. After the tenth week of the semester and through the last day of classes, a student who withdraws will receive a grade determined by the instructor. Failure to drop a class from which a student is registered but is not attending will result in a grade of "F" for that course.
<b>Withdrawal from Institution Federal Aid Recipients</b>	See Financial Aid's website, <a href="http://www.kutztown.edu/financialaid">http://www.kutztown.edu/financialaid</a> .
<b>Withdrawal from the University- Undergraduates</b>	Any student leaving the University prior to the end of any academic term must officially withdraw. The student should contact the Registrar's Office to initiate the formal withdrawal process. <b>The date the Registrar's Office receives the withdrawal form with the student's original signature is the student's official date of withdrawal from the University.</b> If the student completes the withdrawal process with the Registrar's Office two weeks prior to the start of finals, the student will receive "W" grades for all courses. If the student completes the withdrawal process after that point, the student will receive a grade determined by the instructor. Please note that failure to complete the withdrawal process may result in failing grades in all courses being taken at the time of withdrawal.
<b>Withdrawal from the University- Graduates</b>	Graduate Students have six years from the first day of their first class to complete their studies and are not required to attend every semester. If a student wishes to withdraw from all courses, whether only for that semester or permanently, the student will need to complete and submit the withdrawal form. If the form is completed after the first week of the start of classes and before the two week period before the start of finals, the student will receive "W" grades for all courses. If submitted after the two week period before the start of finals and through the last day of classes, the student will receive a grade(s) which will be determined by the instructor(s). <b>The date the Registrar's Office receives notification in writing with the student's original signature is the official date of withdrawal.</b>
