REQUIRED MEDICAL FORM GUIDELINES FOR GRADUATE STUDENTS

Graduate students that do not utilize clinical services or live on campus are not required to complete any forms for the health and wellness center.

If they live on campus they must complete the following form:

- Options for Meningitis Compliance Form online.

If they access healthcare through Clinical Services, they must do the following:

- Pay the per semester health center fee that will be placed on their KU account when they are seen for their first appointment.
- Complete all of the online Required Medical Forms.

Students that will be living on campus will be contacted with directions on how to access the Meningitis Compliance form.
