

FLU SHOT OPPORTUNITIES – FALL/WINTER 2018

STATE SYSTEM Health Plan – Highmark PPO Members

- All Highmark members (who are age 9 and older) can obtain a no-cost flu shot at any CVS, Giant, Giant Eagle, or Rite Aid pharmacy in Pennsylvania, and at many other pharmacy locations (see attached list). No appointment is needed – the member must present their Highmark member ID card. The State System health plan will be billed directly for this service.
- Rite Aid, Giant Eagle, select CVS pharmacy locations and many other pharmacies will conduct an on-site campus flu shot administration, if the campus would like to pursue this option. There will be no additional fees specific to this event – the State System health plan will be billed for the number of vaccines administered to its State System Highmark members. Many campuses have already been approached by a pharmacy. If you have not, and you would like to pursue this option, please notify me, and I will put you in touch with the appropriate individual. If an on-site clinic is offered, all State System Highmark members (and Highmark members covered under an unrelated employer plan) can receive a no-cost flu shot at the event (they must present their Highmark member ID card). For individuals who are not covered by a participating health plan, there is the opportunity for them to receive a flu shot at the campus event on a self-pay basis (cash or personal check, the logistics of this will need to be addressed with the pharmacy vendor in advance of the event). They may have the ability to submit the receipt for this flu shot with a claim form to their health plan and receive reimbursement.
- Highmark members of all ages can obtain a flu shot from their physician (an office visit co-pay may be charged).

STATE SYSTEM Health Plan – UPMC HMO Members

- UPMC HMO members of the State System plan can obtain a no-cost flu shot at the following retail pharmacies:
 - Rite Aid
 - Giant Eagle
- If the campus does an on-site flu shot program with Rite Aid, the UPMC HMO member can obtain a no-cost flu shot at that event. This needs to be coordinated in advance with Rite Aid and UPMC.
- UPMC HMO members can obtain a flu shot at their doctor's office (an office visit co-pay may apply).
- UPMC HMO members can also obtain a flu shot at any pharmacy or clinic. They may then submit a claim form with a receipt to UPMC and they will receive reimbursement. The claim form is attached.

PEBTF Health Plan – ALL Members (both PPOs and all HMOs)

- If you choose to have Rite Aid, CVS or another in-network pharmacy conduct an on-site campus flu shot administration, ALL PEBTF members can receive a no-cost flu shot. **They should present their CVS/Caremark RX ID card for this service.** (Note: If a Highmark PEBTF member accidentally presents their Highmark medical ID card, the benefit will still be provided under the medical plan. The PEBTF has advised us that their preference is for members to use the CVS RX card as the negotiated rate for the flu shot is lower. This also allows all PEBTF HMO members the ability to receive a no-cost flu shot at an on-site event, as all PEBTF members have the same RX plan).
- All PEBTF members (who are age 9 and older) can obtain a no-cost flu shot at any pharmacy that participates in the CVS Caremark Flu Shot network, which includes most chain pharmacies such as Acme, Giant, Giant Eagle, Target, Weis and Rite Aid, in addition to CVS pharmacies and many independent pharmacies. No appointment is needed – the member must present their CVS/Caremark RX member ID card. The PEBTF health plan will be billed directly for this service. PEBTF members can contact the number on the back of their medical card or prescription card to find participating providers.
- PEBTF members of all ages can obtain a flu shot from their physician (an office visit co-pay may be charged). The member should present their medical ID card.

Highmark contracted pharmacy vaccination suppliers

As of August 2018 (new suppliers are added regularly)
