

# Releasing Holds

**Registration Holds** can be viewed from the **student profile** at the top right of the screen.

The screenshot shows a student profile page. At the top right, it says "Kutztown" with a gear icon and a user profile icon. Below that is a breadcrumb trail: "Advising • [Advisee Search](#) • [Advisee Listing](#) • Student Profile". The main heading is "Student Profile -". Below this is a summary bar with the following information: "Term: Fall 2024 08/26/2024 - 12/14/2024", "Standing: Good Standing, as of Spring 2023", "Overall Hours: 88", "Overall GPA: 3.24", "Registration Notices: 4", and "Holds: 1". A red box highlights the "Registration Notices: 4" and "Holds: 1" section.

To release a hold, click **Holds** to view the hold, check the box next to the hold you would like to release, then click **Release**.

The screenshot shows a modal window titled "Releasable Holds". At the top right, it displays "Registration Notices: 4" and "Holds: 1". Below the title, there is a list of holds. The first hold is "Advisor Hold", which has a checked checkbox to its left and a triangle icon to its right. Below the hold name, the following details are shown: "From Date: 02/14/2024", "To Date: 12/31/2099", and "Processes Affected: Registration". At the bottom right of the modal, there is a "Release" button.
