Clicking **Registration** in the **Student Self Service** card will bring you to the **Registration Portal** in the new MyKU.

In the **Registration Portal**, you will see six options. This presentation will focus on **Preparing for Registration**.

Prepare for Registration

Entering **Prepare for Registration** and selecting a term will show your eligibility for registration. The top part of the screen indicates your eligibility according to **Student Status, Academic Status, and Advisor Holds**, and will list any **Time tickets** that have been assigned to you.

The lower portion of this area details your earned hours in each of your programs as well as your **Class Standing**.

The screenshot displays the 'Prepare for Registration' page. At the top, there is a tab labeled 'Registration Status'. Below this, the 'Registration Status' section is shown for the term 'Fall 2024'. It contains three green checkmark messages: 'Your Student Status permits registration.', 'Your academic status permits registration.', and 'You have no holds which prevent registration.'. Below these is a blue information bar with a clock icon and text: 'Time tickets allow registration at this time. Please register within these times: 08/01/2024 03:00 PM - 09/02/2024 11:59 PM 02/05/2024 01:30 PM - 04/29/2024 11:59 PM'. The 'Earned Hours' section follows, with a blue information bar stating: 'You have Earned Hours for Level: Undergraduate, Institution Hours: 80, Transfer Hours: 13'. Another blue information bar at the bottom states: 'Your class standing for registration purposes is Senior'. On the right side, the 'Primary Curriculum' section lists: Level: Undergraduate, College: College of Arts & Sci, Degree: Bachelor of Science, Program: Computer Science, Campus: Kutztown Campus, Catalog Term: Fall 2020, Major: Computer Science, and Department: Computer Sci & Info Systems.

The column on the right lists details about your **Primary Curriculum**. This includes your intended **Degree, Program/Major,** and **Catalog Term**.

If you are pursuing a secondary degree, it will be detailed as **Secondary Curriculum**.
