KU International Student Tuition Waiver Policy (ACA-054)

Section I. Extreme Financial Hardship

Tuition waivers may be granted to full-time undergraduate international students who are currently enrolled students at KU and who can demonstrate that they have experienced changes in their financial conditions that produce unforeseen hardships. These tuition waivers will be disbursed after the ISTWC has reviewed and approved all incoming students' tuition waiver applications for the next semester.

It is the intent of this policy that such tuition waivers will be rare. The same application procedures will be used as with other requests for tuition waivers. **These financial hardship tuition waivers will be limited to a one-time \$2,000 increase per student for one academic year if funds are available.** Tuition waivers are not granted without cause.
