

WAIT, DID YOU DOWNLOAD THE APP?

The laundry facilities were recently upgraded to include mobile pay (in addition to coin). For a user-friendly experience, please read the instructions below prior to downloading the app. To ensure our vendor is able to quickly resolve any issues you are having with the app, laundry machines, or coin changer, please report any problems on the Clean Cash app as described below.

THREE EASY STEPS

DOWNLOAD THE APP

IT IS VERY IMPORTANT TO download the Clean Cash app and to create your account prior to entering the laundry room (this requires a strong wifi or cellular signal).

Once your account is created, enter the laundry room code **WCL1045** (or scan the QR code, or allow the room to be auto detected).

PLEASE NOTE:

COIN IS STILL BEING ACCEPTED!
